LABORATORY PROJECT

Materials Testing

This Line for Laboratory Use Only:		Project Number:			Date:	
Testing Standards:	AAMA	ASTM	TAS	Other:		
Certifying Agency:	FBC	Miami Dade County		Keystone	WDMA	ALI
	ICC	Other:				
Testing Protocols:	Yes	No	Testing Requested By:			
Expected Commencement Test Date:				Is There a Project Deadline?	No	Yes:

Gathering of Information:

All the relevant information about your product must be provided to FTL so that we may prepare all paper work. Drawings will be required prior to testing. Please provide all die profiles, assembly drawings and bill of material. We must have all the following information to schedule testing. If you need assistance with this form please contact us.

Test samples must be received in our facility one week prior to testing.

Company Name:			
Company Address:			
City:	State/Province:	Country:	Zip:
Telephone:	Ext:	Facsimile:	
Company Representative:		E-Mail:	
Series/Model of Sample:			
Sample Size and Type:			
<i>Please Select Applicable Test Type</i>			
Racking Test (ASTM E72)	Yes	Field Pullout Test (ASTM E2359)	Yes
Compressive Load Test (ASTM E72)	Yes	Pullout Resistance (ASTM E754)	Yes
Transverse Load Test Horizontal (ASTM E72)	Yes	Rate of Burning Plastics ASTM D635	Yes
Transverse Load Test Vertical (ASTM E72)	Yes	Ignition Temperature of Plastics ASTM D1929	Yes
Tensile load (ASTM E72)	Yes	Smoke Density ASTM D2843	Yes
Diaphragm Testing (ASTM E72)	Yes	Ignition Temperature Vertical Tube ASTM E136	Yes
Dead Load Test	Yes	Salt Spray ASTM B117	Yes
Tensile (ASTM E8)	Yes	Salt Spray Fog ASTM G85	Yes
Tensile (ASTM E488)	Yes	Exposure of Non-Metallic Materials ASTM G155	Yes
Tensile (ASTM B557)	Yes	Copper Salt Spray ASTM B368	Yes
Tensile (ASTM A370)	Yes	Compressive Strength ASTM C39	Yes
Tensile (ASTM D638)	Yes	Drilled/Sawed Beams Concrete ASTM C42	Yes
Concentrated Load test	Yes	Sampling Concrete ASTM C140	Yes
Tensile of Adhesive Bonds ASTM D897	Yes	Pullout Resistance ASTM E754	Yes
Load of Joist Hangers ASTM D7147	Yes	Sliding Glass Door Rollers AAMA 906	Yes
Pullout Resistance ASTM D1761	Yes	<input type="checkbox"/> 75lbs. <input type="checkbox"/> 100 lbs. <input type="checkbox"/> 150 lbs. <input type="checkbox"/> Other	
Tension Fasteners, Rivets ASTM F606	Yes	<input type="checkbox"/> Certification <input type="checkbox"/> Re-certification
